Dear Community Foundation of West Texas Family,

The year 2020 started with such promise for the Community Foundation of West Texas (CFWT). 2019 was a year of records in total dollars in fund value, total grant dollars awarded, total number of funds, and dollars raised. We went in to 2020 with high expectations; then the pandemic hit, and the world changed in an instant. The pandemic wreaked havoc on our daily lives mentally, physically, and financially. True to form, however, the spirit of West Texas rose again. The Community Foundation of West Texas joined ranks with the Lubbock Area United Way (LAUW) to create the South Plains COVID-19 Relief Fund, spearheading the efforts of foundations, banks, businesses, city leaders, and individuals. The effort raised and awarded almost $1,700,000 in grants to assist fifty-three organizations. Our grantees addressed needs in (i) food and hygiene, (ii) rental and utility assistance, (iii) childcare and youth support, (iv) medical, (v) mental health, and (vi) operating assistance for non-profits. The staff and boards of CFWT and LAUW are to be commended for working tirelessly to reach out and help our fellow citizens during this time of need.

Though the Community Foundation of West Texas was once the best-kept secret in the region, we are no longer a secret. The CFWT has received multiple front-page stories in the Avalanche Journal, has been the lead story on all of the news channels, and has enjoyed extensive social media exposure. CFWT is becoming a household name in philanthropy on the South Plains. We continue to offer the highest degree of custom service to our fifteen-county region.

Our Board and staff are dedicated to serving you. We strive to breathe life into our mission statement’s charge; “to improve the quality of life for all people of West Texas through the development of organized philanthropy.” Our Board and staff are dedicated to serving you, your family, business, church, school, or non-profit in philanthropy. We are the number one source for endowments, scholarships, and complex gifts that serve the West Texas area in perpetuity.

The Power of Endowment

There is no better way to serve your community than to give back to your community. The Foundation offers several charitable fund types that can be tailored to your needs and wishes.

Fund Types

- **Community Fund**: Allow the Foundation to identify needs and opportunities in the community and target your dollars where they can be most effective through competitive grants.

- **Field of Interest Fund**: You decide the general purpose of the fund; such as education, arts, aging, children and youth, animal welfare or health, and the Foundation funds projects that are effectively furthering your charitable interest through competitive grants.

- **Designated Fund**: Specify particular charitable projects or organizations to receive grants from your endowed fund.

- **Donor Advised Fund**: Annually recommend organizations or causes you wish to support or our staff can work with you to identify charitable organizations addressing issues of importance to you. You recommend grants to charities you wish to support. The Foundation ensures the charitable status of beneficiaries and provides grantmaking, oversight and administrative support.

- **Scholarship Fund**: Work with the Foundation to create the guidelines for students who can receive assistance from the fund. For example, selection may be based on high school or college attended, merit, need, or field of study.

- **Agency Endowment**: A nonprofit agency can establish a fund for the benefit of that agency. The Foundation regularly distributes grants back to the agency for purposes chosen by the agency.

Fund Structure

- **Endowment**: Endowment funds carry an inherent power to provide for community needs in perpetuity through continued growth.

- **Non-Endowed**: Monies are received by the Foundation and distributed with little or no dollars remaining with the Foundation.

- **Acorn**: A starter endowed fund created with $1,000 or more that allows the donor up to 5 years to reach the required fund minimum.

Funds by Type at the End of 2020

- **Unrestricted**: 19
- **Field of Interest**: 15
- **Agency**: 41
- **Designated**: 97
- **Donor-Advised**: 63
- **Scholarship**: 64
- **Pass-Through**: 17
In 2020, our assets grew to over $63,000,000 and we have granted over $33 million in grants and scholarships since inception.
Investment Management

The prudent investment of assets is central to the Foundation’s responsibilities. Our reputation and capacity for serving the community is directly tied to our ability to conserve capital and secure the best possible return. Endowment funds exist to provide perpetual resources for charitable purposes. As a result, investment decisions are made more conservatively with perpetuity in mind. To meet our investment objectives, the Foundation follows a strategy focusing on long-term total return. Investments are diversified to avoid any single security or class of securities having a disproportionate impact on the total portfolio.

Investing in the Community

Endowed Funds

Joey Pierce

In 2009, while Joey was a Financial Advisor with J.P. Morgan Chase Bank in Levelland, he visited with Sycily Lattimore, a strong community supporter, and Kathy Stocco, with what is now the Community Foundation of West Texas (CFWT), and they asked him to chair a committee to establish the Hockley County Endowment (HCE). He was honored to be a part of something that special. Furthermore, he knew it would be a tremendous opportunity for the community’s future.

In 2017, Joey was asked to be a board member for Alcove Care, Inc., in Morton, TX. Alcove is a non-profit business designed to meet the needs and care for adults with special needs. Joey saw the need to establish a fund for Alcove Care Inc. knowing that future boards would need income for unexpected expenses. The board agreed to start the fund with the Hockley County Endowment in 2018. Today, Alcove requests that all memorial gifts be donated to the Alcove fund which in turn will help secure its future. Joey states, “None of us will live forever, but the Hockley County Endowment will be here until the end of time! Stewardship does not end after death.” He closes by saying God has definitely blessed his family.

Innovating Education

Levelland Middle School

When the 2019-2020 school year took an uncertain turn, Kim Mock took to Zoom to continue her Chicka Chicka Boom Boom project. Through this project, Ms. Mock taught her students about the incubator that housed the class’s chicken eggs, its components, and math terms like temperature, dates, and weight as they awaited the chicks hatching. Virtually, the second-grade teacher and her students examined the physical outer and inner characteristics of an egg, learned the scientific names of each part and its purpose. During this project, the students were, “able to see the development of the chick, from blood vessels to eyes to pumping heartbeat to leg movement. It was fascinating,” Mock reports. The second graders recorded chick development in their journals as they observed through the 21-day process. Mock Facetimed with each student so they could hear the peeping and see the tooth begin the journey of breaking out of the shell. Mock finishes by saying, “When the chicks were ready to make the journey to the farmer, I drove to 20 different driveways for a ‘social distanced chick parade’ so students could peer into the box at the life cycle completion. My heart was so full as I watched them!”

Transforming Lives in the Community

Catholic Charities

During the pandemic, Catholic Charities served individuals and families on the South Plains that were impacted by COVID-19. Catholic Charities used the amount granted to them from the South Plains COVID Relief Fund to assist families with housing, utilities, and transportation. “The funding allowed us to provide assistance and increase hope for people in crisis,” Executive Director Cynthia Quintanilla states. The organization screened each person who applied for funding for eligibility for Catholic Charities’ Elderly Outreach Program, Parent Empowerment Program, and Immigration Program, as well as, provided help with food vouchers to the South Plains Food Bank. Through this grant, Catholic Charities helped many people who were laid off due to the virus, contracted COVID-19 and weren’t able to work for a period of time, and those who didn’t know where to turn in a time of uncertainty and fear. Many Americans found themselves doing something they never thought they would have to—asking for financial assistance, and Catholic Charities Diocese of Lubbock was there to lend a hand.

Investing in Our Future

Post Antelope Scholarship

This year’s Post Antelope Scholarship was awarded to Madison Guthrie. Madison is currently a student at Western Texas College and plans to transfer to West Texas A&M to further her education. Madison has always dreamed of specializing in heart health and hopes to run her own heart health business in the future. Madison says “I want people to be able to come to my place of work and figure out meal plans that work for them, but are also something that they will love and be able to stick to. I also want to have a separate half that is just for physical activity. My goal is to create an environment that people feel comfortable and enjoy being in.”

Madison feels that she is blessed to live in Garza County, “People here know who you are and are always around to lend a hand. Our community is full of hard workers. I have been able to go to school with basically the same forty kids my entire life. This has allowed us all to be extremely close and learn to respect each other because, no matter what we can not get rid of one another.”

South Plains COVID-19 Response Fund
#SPneighbors

During times of trouble, The Community Foundation of West Texas and Lubbock Area United Way were uniquely positioned to provide support to the wide range of local non-profit organizations that serve those most in need. In 2020, we were faced with a different kind of disaster than ever before. And, while we hope for the best, we prepared for the worst.

The Community Foundation of West Texas and Lubbock Area United Way joined together to create the COVID-19 Response Fund that rapidly deployed resources to community-based organizations tackling the effects of the coronavirus outbreak in the South Plains region.

The South Plains community raised $1.64 million+ to fund 53 nonprofits through 6 rounds of grants over the course of 5 months.

Giving Tuesday WTX

Every year we celebrate Thanksgiving, and the two days of consumer deals, Black Friday and Cyber Monday, that follow. Giving Tuesday is a global day dedicated to giving back. On Tuesday, December 1, 2020, charities, families, businesses, community groups, and students around the world came together with a common purpose: To celebrate generosity and giving.

Since 2015, the Community Foundation has proudly hosted #GivingTuesdayWTX. This year we changed the name of the generosity movement from #GivingTuesdayLBK to #GivingTuesdayWTX to better reflect, as the logo says, “What is raised in West Texas, stays in West Texas.”

In 2020, 54 nonprofits participated and over $490,000 was raised in the #GivingTuesdayWTX campaign.
